### AFMC COMMANDER VISITS AFRL DISPLAY AT AFA EVENT

AFMC Commander Gen. Bruce Carlson (left) speaks with Kevin Bryant, Experimental Satellite System-11 project team, Air Force Research Laboratory, Space Vehicles Directorate, Kirtland Air Force Base, N.M., during the recent Air Force Association's Air & Space Technology Exposition held in Washington, D.C. Bryant staffed the One-AFRL display, which featured information regarding the ten directorates comprising the organization. With a combined annual budget of \$3 billion, AFRL is charged with leading the discovery, development, and integration of warfighting technologies for air and space forces. (photo by Anita Bergman)
